To whom it may concern,

It is my honor to recommend Shivam Rameshkumar Kadchhi to the Nirma University. I was fortunate to have him in my classroom. Shivam was a Senior in my Theory of Automata and Formal Languages class in 2022/2023. I have known Shivam for over an year, and he made an impression in me due to his Academic Integrity and also Altruistic personality. I hope to highlight a little more about him in this letter, and why he deserves to be considered in your institution.

While in class, I have observed some remarkable academic skills. Shivam is exceptionally clever and talented, always striving for the best results. He also dedicates a lot of time to study, always aiming to achieve good grades and be in the top of the class, and I have noticed frequently he even in the face of adversity, puts a lot of commitment to honesty, trust, fairness, respect, responsibility, and courage.

Besides all his Academic work, Shivam is a very Altruistic student. He is always friendly and pleasant with me and the other students. He also is always friendly and pleasant with me and the other students, and I have noticed frequently he is always very confident and self-assured when answering questions.

Please, contact me if you have any questions.

Sincerely,
C K Bhensdadia
