To whom it may concern,

It is with pleasure that I recommend Shivam Rameshkumar Kadchhi to the Nirma University. I was lucky to have him in my classroom. Shivam was a Senior in my Operating Systems class in 2022/2023. I have known Shivam for over an year, and he made an impression in me due to his Academic Brilliant and also Altruistic personality. Hopefully I will be able to illustrate a little more about him in this letter, and why he deserves to be considered in your institution.

While in class, I have observed some remarkable academic skills. Shivam even in the face of adversity, puts a lot of commitment to honesty, trust, fairness, respect, responsibility, and courage. He also is exceptionally clever and talented, always striving for the best results, and I have recognized that regularly he dedicates a lot of time to study, always aiming to achieve good grades and be in the top of the class.

Besides all his Academic work, Shivam is a very Assertive student. He dedicates a lot of time helping others. He also is always friendly and pleasant with me and the other students, and I have noticed frequently he is always friendly and pleasant with me and the other students.

Please, contact me if you have any questions.

Sincerely,
Niyati Buch
